Robert J. Murray,
Plaintiff,

No. 4:21-CV-00122

V.

Gene Clark, et al.,
Defendants.

My response to the order filed on April 18, 2022.

Your Honor Sir, I really have no idea as to what you and the defense are referring to? The one and only time I ever filed a motion to amend my complaint was on 1-20-22. On 2-7-22 you granted the defendants motion to have my amended complaint stricken from the record. And I totally understood that Your Honor Sir. I don't know what the defense is trying to pull Your Honor but I certainly didn't file another motion to amend my complaint. And if I had I would've mailed it directly to you like I did on 1-20-22. And besides that Your Honor, if the statute of limitations were expired back on 1-20-22 they most certainly would be expired on 4-18-22. That 3 months later sir.

The only things I've sent to the defense this month is a request for 5 ~~additional~~ additional interrogatories directed to defendant Mirach in accordance with rule 33 of the Federal Rules of Civil Procedure. Which brings a total of 24 interrogatories directed to defendant Mirach. Also in accordance with rule 33. I've enclosed a copy of the interrogatories. As you can see Your Honor its titled. So there is no-way to mistake it for an amended complaint Your Honor. Its very clear I'm not looking to add 3 new defendants sir. As its also clear, all I want is sworn statements and answers to my questions concerning the events that took place during my medical emergency while I was in the Wyoming County jail. All my questions to the witnesses will pertain to what took place on 1-25-2019 and only that day. As it was the right of the defense to obtain my medical records under the rules of discovery, it ~~it~~ is also my right to obtain vital information from people I deem as witnesses to the events that took place on 1-25-2019. Local Rules of Court 33.3 and 36.1 guarantee me that right. I've tried to get this information prior to the request thats enclosed with this response. The other things I sent were 2 sets of medical release forms, just to be sure the defense gets one of sets.

Verification

I have read the foregoing document and hereby verify that the matters alleged therein are true, except as to matters alleged on information and belief, and, as to those, I believe them to be true. I certify under penalty of perjury that the foregoing is true and correct.
